# FRONT COVER

The red margin box is the “safe area.” No critical text or images should go outside of it. It’s 3/16” from the edge of the document.

Your background colors or image should go past the red margin lines- all the way to the edge.

Please delete or hide this layer (by clicking <sup>3/16”</sup> on the “eyeball” on the instructions layer) before sending to us for your free file check at [www.fastcolorprinter.com](http://www.fastcolorprinter.com)

Please save your design as a PDF - File->Export, PDF (Press Quality).

Black Text should be CMYK 0/0/0/100
